ACCOMMODATION

Situated in Damer Gardens, a quiet cul-de-sac located off the desirable Vicarage Road in Henley-on-Thames, this exceptionally well-presented three-bedroom terraced home offers stylish, contemporary living arranged over three floors, just a short walk from the town centre and train station.

The ground floor is centred around a striking open-plan kitchen/living/dining space, featuring an opulent Tara Neil kitchen with high-spec integrated appliances and sleek design. The kitchen is hand-built with handle-less cabinetry, with black stained oak wall and base units and oak dovetailed drawers. The kitchen includes a full set of Siemens Studio Line appliances: a larder fridge, larder freezer, wine cooler, steam oven, steam oven with combi microwave, full-flex induction hob with glass draft worktop extraction. The island breakfast bar and work surfaces are high-end Consentino Dekton, which is both heat- and scratch-proof. The main sink features both boiling and filtered water, and there is a separate prep sink on the serving area which is in use as a bar and coffee station. A standout appliance is the recessed glass wine cellar, adding a surprise touch to the kitchen floor, and the living room features an electric fireplace. A ground-floor cloakroom is convenient, and there is an entrance hallway from the front door. There is also useful storage beneath the stairs. The staircase is neatly enclosed and accessed via a clever pocket door. A trio of sliding doors lead out from the dining room to the composite decking, and beyond to the garden.

Up the carpeted stairs to the first floor, where a stylish living room opens via a sliding glass door onto a west-facing balcony—an ideal evening sun-trap. This level also hosts a useful study space with panelled wall. The well-proportioned double bedroom benefits from green views across the valley, and is complete with a walk-in wardrobe and an attractive en suite shower room. Vinyl wood flooring continues across this floor, enhancing the modern finish throughout.

The second floor offers two further bedrooms along with a stylish, modern bathroom/shower room, all presented in excellent condition. There are beautiful views of the surrounding hills from the bedrooms overlooking the rear garden. Vinyl wood flooring runs throughout the upper floors, complemented by carpeted stairs, and a window at the top of the stairwell allows natural light to flow through the home.

Externally, the property benefits from two driveway parking spaces to the front and a

thoughtfully designed east-facing rear garden arranged over three tiers. The first and third tiers are decked—perfect for entertaining—with the lower level tier currently being used for a seating and dining area, and is complete with a shed. The middle tier is laid with low-maintenance astroturf, and a rear gate provides convenient access onto Vicarage Road.

Further benefits include a zoned sprinkler fire system throughout, modern spot lighting, and impressive overall presentation, making this a turnkey home in a central location.
