ACCOMMODATION

The apartment has been thoughtfully arranged, with the principal living space forming a particularly appealing feature. Extending to over 23 ft in length, the open-plan kitchen/reception room provides generous areas for both sitting and dining, with large windows bringing in plenty of natural light and enjoying a pleasant leafy outlook. The kitchen is smartly fitted with Shaker-style cabinetry and wooden worktops, together with a NEFF integrated dishwasher, a Hisense hob (with 4 plates of which 2 can join as one for large pans. Gas supply remains in place if cooking on gas is preferred) and an extractor, Gorenje integrated fridge/freezer, Gorenje integrated oven and microwave and an integrated AEG washer/dryer. A useful breakfast bar provides an informal dining area and neatly separates the kitchen from the living space.

There are two good-sized double bedrooms, both with fitted wardrobes. The principal bedroom is served by its own en-suite shower room, while a separate contemporary bathroom serves the second bedroom and guests.

The apartment is presented in excellent decorative order, with wood-effect flooring throughout the principal living areas, carpets to both bedrooms and tiled floors to the bathroom and en-suite. The windows are double glazed, with additional secondary glazing to those facing the front and side, while a Worcester gas boiler provides the heating and hot water.

Storage has also been particularly well considered, with a number of useful cupboards within the apartment as well as a private storage cupboard immediately outside the front door.

Daceberry Court is approached from Remenham Hill via security gates and sits within particularly attractive communal grounds, with mature trees, established planting and areas of lawn creating a wonderfully green setting. A lift serves the building and there is a secure allocated parking space under a

covered residents' parking area with further spaces for visitors and service vehicles, which provides a further practical advantage. The security gates are remote controlled using a residents fob or by entering a code on the gate.

The position combines a peaceful, tucked-away setting with excellent access to Henley-on-Thames town centre, the River Thames and railway station. Henley's extensive selection of independent shops, cafés and restaurants are readily accessible, while the surrounding countryside provides some superb walking opportunities.
