## ACCOMMODATION

This mid-century modern home was originally built in the 1970s and has been opened-up and refurbished to make a generous contemporary family home on 4 levels, in a residential cul-de-sac.

A landscaped terraced front garden has paved steps down to the composite front door, which leads into the ground floor entrance hall. A cloakroom has a wash hand basin and w.c., and a laundry room is accessed via concertina doors and has space for a washing machine, tumble dryer, and a sink.

Stairs lead down to a generous open-plan kitchen / dining room with bifold doors leading out to the raised deck. There is space for a large rectangular dining table. The two-tone kitchen features white and grey gloss wall and base units, a large island with quartz composite worktop, breakfast bar and storage beneath. Integrated appliances include a fan oven, a combination microwave / convection oven, a 5-ring induction hob with extractor hood over, a dishwasher, and there is space for a fridge-freezer. A walk-in cupboard has useful storage space.

From the dining area sliding doors open into the sitting room which has oak flooring, a large full-width picture window and a glazed door to the rear. There is a fireplace with an 'Adam' style surround and marble slips. Within the window recess, there is a study area with space for desk.

To the far end of the sitting room there are steps up to the family room/playroom, with windows on dual aspects.

From the entrance hall, the family bathroom has a bath with shower over, a wash hand basin and a w.c.

Up to the first floor. The principal double bedroom has rear garden views and an en suite bathroom with shower, wash hand basin and w.c..

Bedroom 4 is a larger double with windows on two aspects and eaves storage.

Bedrooms 2 and 3 are double bedrooms with garden views.

There is further generous eaves storage, accessible from the first-floor landing.

## OUTSIDE

From the kitchen / dining room a set of bifold doors lead out to the deck, which makes a sociable transition to the rear garden. The deck is a raised composite with a railing, and has ample space for both barbecue facilities, dining and seating. Steps lead down to the lawned enclosed garden, with an inset trampoline. Useful storage is available beneath the decking. At the far end of the house, there is a TV / games room with reduced head height, which would prove an absolutely thrilling play-space for youngsters.

A pathway leads through a pedestrian gate to the front garden where landscaped terracing includes fruit trees and tasteful planting. There are two parking spaces on the block-paved driveway. Note: the neighbour owns the garage and parking space immediately next to the property, making this link-detached. Further guest parking is available further down Priory Copse.
