Nestled alongside abundant green spaces such as the Hampstead Heath Extension and Golders Hill Park, its location is truly desirable. Whether wandering by waterways or meandering through lush parks, one might easily mistake the surroundings for the countryside, all while relishing the vibrant offerings of London.

Barnet, among London's largest boroughs, proudly introduces the new Hampstead Reach development. Drawing inspiration from the architectural heritage of Hampstead Garden Suburb, this development is situated just a stone's throw away from the picturesque Hampstead Heath, tucked into a serene cul-de-sac accessed from Wellgarth Road. The photos closely resemble the apartment but are not of the exact unit, provided solely for illustrative purposes.

The interiors of the development pay homage to the Arts and Crafts period while incorporating contemporary elements, catering to modern living styles.

Immerse yourself in the rich culture and storied traditions of historic North London as you anticipate an exciting future in this remarkable locale.
