Plot Description

An excellent opportunity to purchase a parcel of croft and de-crofted land located in a beautiful, tranquil position in the scenic village of Shieldaig, on the Northwest coast of Scotland. Croft 322, which is owner occupied, extends to approximately 0.912 acres and provides space for grazing, horticulture, or husbandry, with the de-crofted plot having planning in principle for the erection of a detached dwelling. The land is laid to a combination of lawn and rushes and has a number of planted broadleaf trees. It is bounded by deer proof fencing, and located here is a small byre. Only by viewing can one appreciate the desirable setting, alongside the stunning countryside views which can be enjoyed from all angles.
