"The flat has a real sense of space, with high ceilings and lots of natural light throughout. The kitchen is a standout room, large enough to comfortably fit a dining table, so it works as both a cooking and social space. The main bedroom is also generously sized, with lovely views of the trees, giving it a calm, private feel. Overall, it has the feel of a house rather than a flat, with plenty of room for everyone to spread out. Being directly opposite Mayow Park is a huge plus, and it's an easy walk through the park to Sydenham Station. The area itself is great for families, with excellent nurseries, schools, and a strong sense of community. It also has the charm of a Victorian property, combined with some modern finishes".
