Our Vendors Love...

"The property has been an investment for us but we have loved it throughout our ownership. We wanted to make it our own and were keen to add a new dimension when we carried out the renovation, built around a central open plan living space and two bathrooms. Touches such as the durable bamboo floor and sleek lines of the kitchen, we are especially pleased with. We think its perfect for couples, families and friends and hope whoever owns it next, will enjoy the time and effort we spent trying to make it special!".
