"I have loved living at Paxton Court. It's light and airy in summer and super cosy in winter. To have some outside space as well as a proper kitchen / diner with room to sit in is such a bonus. The storage space is epic, with room for two bikes, a washing machine and loads more. Like having a separate shed and utility room! It's a quiet flat with shops and green space on your doorstep, and I loved being on the top floor too, with better light and lots of security."
