

Sydenham Park Road, London

Guide Price £235,000

Property Summary

GUIDE PRICE £235-£250,000

This bright, versatile and stylish designer's pad has more of a one bedroom feel to it than a studio. Extremely well laid out and cleverly designed, this studio is situated to the side of a peaceful block and comes with an extended long lease, communal garden and off-street parking.

Upon entering the flat, you will notice every inch of this property has been utilised. The apartment has been intelligently hand crafted by the owner and divided into two sections. The sleeping area to the rear is cleverly designed and creates more of a one bedroom feel. There are windows on all three sides, keeping the property light-filled even on a rainy day.

The high-quality German kitchen has an array of wall and base units with built in appliances and solid surface worktop. It has been wonderfully finished to an extremely high standard. In addition, the designer bathroom has rainfall shower, steel bath and bath filler. No expense was spared to achieve this excellent finish.

The flat also benefits from engineered wood flooring throughout with gas central heating. The storage cupboard is a handy addition. The property has been lovingly restored by the owner and would be suitable to move straight in.

Our Vendor Loves...

"I have absolutely loved calling this perfect gem my home for ten years. It is a special, larger-than-usual studio that I fully refurbished to maximise space and storage. I especially enjoy how the light follows you through the day—from morning sun in the kitchen to a beautiful evening glow in the sitting area. The location is equally perfect: a peaceful residential street with off-street parking and a wonderful community of helpful neighbours. Being within easy walking distance of the Overground, independent shops, and the green expanses of Wells Park, Crystal Palace Park, and Sydenham Woods has been a joy. I'm certain the next owner will love this special home as much as I have."
