Property Summary

Propertyworld is delighted to present this modern, purpose-built two-bedroom flat to the sales market.

Offered with no onward chain, this property is an excellent opportunity for first-time buyers and long-term investors alike. While some modernisation is required, the flat already benefits from a recently re-fitted kitchen and bathroom/WC, making it a fantastic value proposition with plenty of potential to add further value.

Ideally positioned in the upper part of Penge, the property is within a short walk of Anerley station and also conveniently close to Crystal Palace and Penge East stations. These provide excellent transport links into Central London, along with easy access to a vibrant selection of local bars, restaurants, and grocery shops.

Set on the ground floor to the rear of the development, the apartment enjoys a peaceful setting, overlooking well-maintained communal lawns and shielded by a front block, enhancing privacy and tranquillity.

The property offers generously proportioned accommodation throughout. The bright and spacious lounge measures over 15ft x 14ft and features a Juliet balcony with pleasant views across the lawns, along with direct access to the kitchen. The kitchen is well-equipped with a range of cupboards and ample worktop space for food preparation.

Both bedrooms are quietly positioned to the rear of the property, providing a calm and restful environment. The updated bathroom features a crisp white three-piece suite with partly tiled walls.

Further benefits include double glazing (with some newly fitted windows), allocated parking, a secure entry phone system, and no onward chain.

A superb opportunity offering space, location, and potential—early viewing is highly recommended.
