Property Summary

Propertyworld proudly presents to the sales market this fantastic two-bedroom purpose-built apartment — a genuine 'value for money' - with no onward chain and ready for immediate residency

Offered with no onward chain, this well-proportioned property is ideally situated within minutes' walk of both Anerley and Penge West railway stations, as well as the wealth of shops, cafés and amenities found along Penge High Street.

Forming part of a small, well-maintained block, this second-floor apartment benefits from lift access and offers an excellent opportunity for buyers to modernise and personalise the space to their own taste.

Upon entering, there is useful integral storage, while the impressive 15ft+ reception room provides a bright and airy living space, featuring large windows with attractive dual-aspect views to the front and side. The adjoining kitchen offers a good selection of wall and base units, together with generous worktop space for food preparation.

There are two well-proportioned bedrooms, both featuring fitted carpets and large windows, while the bathroom comprises a three-piece suite, tiled walls and contrasting ceramic tiled flooring.

Outside, residents benefit from on-street parking, as well as additional parking within the grounds on a first-come, first-served basis. A particular highlight is the garage en-bloc included with the property. Further benefits include entry-phone security and communal patio space.

In our opinion, this is an excellent opportunity for first-time buyers and investors alike, particularly with the added benefit of a share of the freehold.

Early viewing is highly recommended!
