

51 West Street

Belford, Northumberland, NE70 7QD

Offers In The Region Of £220,000

A beautifully presented mid-terraced cottage, 51 West Street has been maintained to a high standard while retaining much of its original character and charm. The property combines traditional features, including attractive original fireplaces, with modern conveniences to create a comfortable and welcoming home.

The accommodation briefly comprises an entrance hall leading to a well proportioned living room featuring an original cast iron fireplace. The dining room provides ample space for a table and chairs and retains the original range fireplace and double French doors open directly onto the rear garden. The well appointed cream shaker kitchen provides a practical and attractive space for everyday use.

Also on the ground floor is a generous double bedroom with a fireplace which could be used as a further reception room if required and a bathroom fitted with a quality traditional suite.

On the first floor are two further double bedrooms, both enjoying pleasant countryside views, together with a modern shower room.

Externally, the property has a small gravelled garden at the front, while the rear garden has been landscaped to provide an attractive, low maintenance outdoor space. A driveway at the rear provides valuable 'off road' parking. Further benefits include full double glazing and gas central heating.

Overall, 51 West Street offers an appealing blend of period character and modern comfort, with well-proportioned accommodation, countryside views and convenient 'off road' parking. An ideal home for those seeking a traditional cottage in the popular village of Belford. Easy walking distance to shops and all the facilities within Belford.

Belford is within a short drive to the coast, including Bamburgh (6 miles), the towns of Berwick-upon-Tweed (14 miles) and Alnwick (15 miles).

Entrance Hall

Partially glazed entrance door giving access to the hall, which has stairs to the first floor landing, a cloaks hanging area and the electric meters. Central heating radiator and two power points.
