We are delighted to bring to the market this spacious two bedroom detached bungalow, ideally situated within easy walking distance of the beach and local shopping amenities. The current owners have upgraded and improved the bungalow during their ownership, creating a comfortable and well presented home, which would make an ideal retirement home with the benefits of full double glazing and gas central heating.

The well proportioned accommodation comprises a vestibule leading into the entrance hall both with attractive wooden panelled walls, a generous dual aspect lounge with a bay window at the front and a media wall with a modern fire and attractive panelled wall. The owners have recently installed a modern white gloss kitchen which has built-in appliances. A particularly appealing feature is the large Victorian style conservatory which enjoys pleasant views over the rear garden and a useful utility area.

There are two good sized double bedrooms and a modern shower room, providing practical and comfortable living accommodation.

Externally, the property benefits from a private driveway providing ample 'off road' parking and access to a single detached garage. The front garden has been landscaped for ease of maintenance, while the enclosed rear garden has a laid to lawn, gravelled sitting areas and a useful garden shed.

The combination of the owners' improvements, spacious accommodation and convenient location makes this an appealing bungalow for those seeking a comfortable home close to the beach and local amenities.
