A fantastic opportunity to purchase this attractive stone built detached cottage, which is located within the highly sought after village of Hutton, some seven miles west of Berwick-upon-Tweed. The cottage has a stunning landscaped garden which borders farmland with lovely open countryside views and planning permission for one detached house. There is the added benefit of Lilac Cottage, this is a large detached workshop/outbuilding, with potential to create extra living accommodation, or to use it as a workshop/garaging for car enthusiasts or tradesmen. The cottage benefits from having water connected.

Elm Bank Cottage has been totally upgraded by the present owners, creating bright and modern living accommodation that is ready to walk into. The interior comprises of a large living room with a fireplace with a gas fire and a door to the conservatory on the side of the cottage which takes advantage of the views over the side garden. The cottage has a modern kitchen with fitted appliances and a bathroom on the ground floor with a quality suite. On the first floor are two large double bedrooms, the main bedroom has fitted wardrobes and an en-suite shower room. Full double glazing and lpg gas central heating. The property also has a double garage and an enclosed paved garden at the side which is a real suntrap.

Hutton is very sought after and is conveniently positioned within seven miles from Berwick-upon-Tweed, which has an excellent variety of shops and facilities and a railway station on the east coast line, making its commuting distance to Edinburgh and Newcastle-upon Tyne.

Building Plot

A stunning large landscaped garden which has outline planning permission for one dwelling (19/01385/ppp). The plot is located in a secluded position on the outskirts of this small Border village, with open views over the surrounding countryside. The proposal submitted to the Scottish

Borders Council was for a detached one and a half storey three bedroom house, however, this could be altered by the new owner.

This stunning site has services that adjoin the plot, which would be easy to develop as it is a level site.
