Sunnyside Mews is a highly sought-after residential development, ideally located within easy walking distance of local shops, schools, and the sports centre. Number 3 occupies a prime position at the edge of the cul-de-sac, enjoying attractive open views over the surrounding area.

Originally designed as a three bedroom home, the property has been thoughtfully reconfigured to provide spacious two-bedroom accommodation. Should a purchaser require, it could easily be converted back to its original layout.

The property is entered via a welcoming hallway leading to a generously proportioned living room, offering an excellent space for both relaxing and entertaining. Double glazed doors open into the well-appointed kitchen, which features an excellent range of fitted units and ample space for a dining table and chairs. Double patio doors provide direct access to the rear garden while also making the most of the open outlook beyond.

On the first floor, there is a modern shower room and two generous double bedrooms, both benefiting from fitted wardrobes. The principal bedroom was originally two separate rooms and has been opened up with an archway to create a larger space; however, the third bedroom could be easily reinstated if desired. The property further benefits from full double glazing and gas central heating throughout.

Externally, there is a driveway providing off-road parking, along with an enclosed rear garden that has been landscaped for ease of maintenance and includes a large decked seating area, ideal for outdoor enjoyment.

Early viewing of this attractive home is highly recommended. Please contact our Berwick-upon-Tweed office to arrange an appointment.
