**Offers Over £700,000**

A classic Grade II listed home offering flexible living accommodation arranged over two floors with the benefit of an unconverted cellar as well as second floor attic rooms offering much scope for conversion to form additional bedrooms. The property is gas central heated with two principle reception rooms of good size and two further rooms, a spacious kitchen with vaulted ceiling with utility area and cloakroom. A central hallway running the length of the house has doorway to the cellar as well as a feature staircase leading up to the First Floor landing off which there are three double bedrooms, a nurse box room and shower room. An inner staircase gives access to the attic storage rooms offering much potential for conversion subject to any planning permissions.

One of the many features of this property are its grounds, extending to about 0.8 of an acre with formal garden area, parking and also features a detached barn with adjoining workshop and has development potential for an additional dwelling subject to any planning consents.

An ideal home for buyers looking for a characterful property with many attributes being within walking distance of the village pub and school.

**Location**

Sutton St Nicholas lies about two miles north of Hereford city centre, being a sought after village for its convenience but also a popular primary school and its other facilities such as pub, village hall and bus service into Hereford. There are many enjoyable walks around the surrounding countryside. Hereford offers many facilities.
