### Accommodation

The property is entered through the front door with a covered porch. In the hallway, immediately to the right-hand side, there is a bedroom which is of double proportion with a window to the front. The hallway carries on to a bathroom with a suite comprising of a panel bath, corner shower, W.C and hand-wash basin with a window to the side.

The kitchen is of an excellent proportion with a wide range of base and wall units, ample worktops and includes a Rangemaster gas/electric range cooker, a 1 ½ bowl sink window, two windows and a half-glazed rear door. There is also plumbing for a dishwasher.

The sitting / dining room can be accessed from both the hallway and the kitchen and has a large bay window to the front and sliding doors to the rear which gives access to the conservatory. In the sitting room there is a wood burner with a natural stone hearth and surround.

From the hallway a staircase leads downstairs where there are three exceptionally useful rooms, one of which has a fireplace with a gas supply. A further room is used purely for storage and a third room is used as a utility room with worksurfaces, a sink, connection for a washing machine, cupboard storage and it also contains the central heating boiler.

A second staircase from the hallway leads to the first floor where there is access to three double bedrooms, the master bedroom having the benefit of an en-suite W.C and basin. The master bedroom is of an excellent proportion and has further eaves storage and two wardrobes.

From the light landing there is a shower room with a shower cubicle, wash-hand basin, W.C and a Velux window. It is noted that all the upstairs bedrooms are particularly light with the main bedroom having windows to three aspects.
