DESCRIPTION

Paul Hubbard Commercial is delighted to bring to market an exceptional commercial opportunity, situated in the picturesque North Norfolk countryside.

A rare opportunity to acquire a well-established commercial site spanning approximately 4 acres in the sought-after location of South Creake, Norfolk. The site is currently home to a thriving business, Creative Home and Garden, offering multiple revenue streams with significant potential for further development.

Due to retirement, the site is now available to purchase for £500,000, and presents a wide range of opportunities for investors, developers and business owners to take advantage of the site's fantastic location, size and potential.

The front of the site includes a number of units including the Creative Home and Garden Cafe, which includes a fully equipped commercial kitchen offering a range of meals and snacks to customers, spacious indoor and outdoor seating areas, a small office for staff and management, a separate hair salon which can be rented out or adapted for other uses, as well as WC facilities.

To the front of the unit is a large display area which is currently used to showcase the wide range of products the business has to offer, as well as parking spaces for customers.

Alongside the cafe are two large sheds, one of which is currently used as a retail space and the other as a tool, equipment and machinery storage area.

Further back is over 2 acres of currently unused land, which includes 2 additional sheds for storage, a large greenhouse and several polytunnels.

This site has huge development potential, and although no planning permission is currently in place, it is ideal for both residential and commercial development STPP.

Due to its location, commercial development and expansion could include glamping pods, holiday lodges, caravans or a campsite. North Norfolk is a highly popular tourist area so there will always be demand for these types of facilities in the area.

Other uses could include an expansion of the current retail offering, a restaurant, garden centre, farm shop, deli and much more.

The site is located just off Leicester Road in South Creake, just 7 miles from affluent Burnham Market and Wells-next-the-Sea, 6 miles to the busy market town of Fakenham, and has easy access to Norwich and Kings Lynn.
