### Garage

7.50m x 5.50m

The property features a substantial brick-built detached double garage, complete with dual-aspect UPVC double glazed windows that provide natural light. The garage is equipped with lighting, power sockets and ample room for either parking or storage. An electric roller door offers easy vehicular access from the front, while two UPVC pedestrian doors allow convenient entry from the rear garden.

### Outside

Set along a picturesque, tree-lined road, this home is introduced by an impressive double-bay frontage, enclosed by an attractive brick wall that frames the approach beautifully. Steps lead up to the front entrance, flanked on either side by neatly maintained lawns and mature trees that enhance the sense of grandeur. The property benefits from outdoor lighting and power sockets. To the side, a generous brick weave driveway provides ample off-road parking for multiple vehicles, features a decorative raised shingle area, and leads directly to the detached double garage as well as a gated access point into the rear garden. In addition to the main garage entrance, a second roller door provides convenient and secure access to the rear lean-to area, offering a sheltered route between the front and rear of the property. A combination of panel fencing and a brick wall encloses the frontage. On the opposite side, the driveway is accessed only by the neighbouring properties. The property's side entrance is private, leading into a charming paved courtyard with shrub borders, outdoor lighting, and a decorative archway gate that opens into the rear garden.

The south-west facing rear garden is a standout feature of the property, offering a beautifully landscaped space ideal for relaxation and outdoor living. A generous, well-kept lawn is surrounded by fully stocked borders and mature trees, creating both colour and privacy throughout the seasons. A brick weave patio provides an inviting spot for outdoor dining or seating, and the vendors will be leaving a high-quality detachable awning that provides welcome shade over the patio area during sunnier days. Practical additions include two pedestrian access doors to the garage, a timber storage shed, a greenhouse, outdoor lighting, power sockets and an outside tap. The entire garden is securely enclosed by panel fencing. To the side of the property, a discreet storage area provides convenient space for bins alongside a sheltered wood store, perfectly positioned for keeping logs dry and neatly organised.

### Agent Note

- The property features original Victorian doors which have also been converted into fire doors
- The driveway benefits from an EV charging point and external socks
