### Location

This home is situated in picturesque Beccles. Beccles is nestled in the heart of Suffolk and lies along the banks of the River Waveney. The town centre is a blend of independent shops and eateries, surrounding the stunning St. Michael's Church, which holds a rich history. Convenient transport links are available, providing routes directly into the city of Norwich, as well as seaside towns, such as Lowestoft. Nearby, you'll find the Norfolk & Suffolk Broads, lined with many beautiful towns and villages, making it a perfect place to call home.

### Kitchen/ Diner

5.51m x 3.18m max

Oak entrance door to the side aspect, vinyl tile flooring, spotlights, UPVC double glazed window to the rear aspect, radiator, Mulberry units above & below, laminate work surfaces, inset stainless steel sink & drainer with mixer tap, built-in oven, induction hob & extractor hood, integrated dishwasher & washing machine, space for a fridge-freezer & a dining table, stairs leading to the first floor landing, under-stair storage cupboard, fitted desk for a work from home space, doors opening to the sitting room & bathroom and a UPVC door opens to the rear garden.

### Bathroom

### Outside

To the front is a picket fence lining the front of a laid lawn with well-stocked planted beds. Off-road parking for multiple vehicles is provided and leads to the side entrance, a detached garage and gated access to the rear.

The mature and beautifully established rear garden is richly planted with a wide variety of trees, shrubs and flowering plants. The space features a combination of raised decking, a laid lawn, decorative pebbles and shingle, along with a patio area and attractive brick detailing, creating several inviting seating areas throughout. Additional benefits include an outdoor tap and lighting. A charming summerhouse with double doors opens onto a powered seating area, ideal for relaxing or enjoying a drink. The garden is fully enclosed by panel fencing, offering privacy and security.

### Garage

Fitted with an electric roller door to the front and a pedestrian access door to the side, the garage provides useful storage or parking space. It benefits from light, power, shelving for storage, and a consumer unit.
