Outside

Front

To the front of the property is a driveway providing off-road parking and leading to a single garage. Laid lawns sit to either side, complemented by mature plants, shrubs and trees. A paved pathway leads through a metal gate positioned between the garage and sitting room, continuing to a paved patio area and the main entrance door. To the opposite side of the garage is a further laid lawn, bordered by timber fencing and hedging, with a gate providing access to the front aspect.

Garage

The property benefits from a brick-built single garage, fitted with an up-and-over door to the front and a pedestrian access door to the rear. The garage also benefits from power and lighting.

Rear

To the rear of the property is an enclosed garden, surrounded by panelled timber fencing. A paved patio area provides space for outdoor seating, alongside a timber shed and a laid lawn. Mature, well-stocked borders containing a variety of shrubs and trees add to the garden. A paved pathway continues along the side of the property to a further paved patio area adjoining the conservatory, with access leading through to the front of the property.
