Lime Barn is a superb and immaculately presented house located in the sought-after village of Wellow which is around 5 minutes' driving distance of Yarmouth with its shops, harbour and ferry terminal. The property sits on a substantial plot screened from the road by mature evergreen hedging and there is a paddock area at the northern end of the plot. The property has been fastidiously maintained and is perfect for a new owner to move straight in and enjoy this wonderful property. The current owner has made significant upgrades and created a truly impressive garden.

The property was extended to a high standard 13 years ago, this has given the main bedroom a fantastic dressing room and en-suite facilities. A good quality garage with workshop, large enough to accommodate an SUV or 5 metre RIB has been constructed in the rear garden at the end of the driveway, which benefits from a sail loft above, power and a separate utility/workshop area. There is a detached self-contained annex, located in the front garden, which is perfect for holiday lets or as a granny annex. With an addition of a sofa bed the annex will sleep a family of four.

The beautifully planted grounds form a delightful setting and extend to nearly three quarters of an acre and provide ample parking. The garden to Lime Barn offers something special and perfect for those with green fingers. There is an abundance of mature shrubs and flowers with spacious lawned areas in between.

The views from Lime Barn extend across the delightful gardens to the fields beyond. There are nearby footpaths that lead directly to open countryside, whilst both Newport and Cowes are only around 20 minutes by car. The Newtown Nature Reserve and Shalfleet Quay are close by.

The front garden is laid to lawn, and the borders have been skilfully planted with mature shrubs and herbaceous plants. There is an old stone wall to the frontage. The rear garden is beautiful and has views across the surrounding countryside. A partially paved walled terrace adjoins the conservatory, there is an apple tree tunnel, a large natural pond which is home to newts, frogs and a visiting kingfisher. An interesting variety of unusual ornamental trees. It is extensively planted with spring bulbs, summer herbaceous plants and over forty

rose bushes.

A beech hedge partially divides the rear garden, beyond which is a productive vegetable area that includes soft fruit bushes and an asparagus bed.

There is a further paddock and small orchard area. This area provides peace and seclusion.
