Extensively upgraded in recent times by the current owner, this well presented barn conversion is now set over two floors following the current owners addition of a third bedroom on the first floor in 2023. The internal dimensions and accommodation is a pleasant surprise given the appearance from the outside making this well presented home a bit of a 'Tardis' and offers two double ground floor bedrooms, (one with ensuite WC and wash hand basin), a double shower room including WC and wash hand basin, a bespoke fitted kitchen, a utility with space and plumbing for both washing machine and dishwasher, a dining area, and a substantial living space with patio doors to rear garden. Moving upstairs via bespoke wood staircase, there is a large double bedroom with three Velux windows and some built-in storage. Outside the property has its own private garden to the rear which is mostly paved with a wood arbour and gate to parking and garage area.

LOCATION

Afton Barns enjoys a tucked away location in Freshwater Bay and there are numerous easily accessible local footpaths and bridleways with access to Afton Nature Reserve, The Causeway and the old railway line cycle track running between Yarmouth and Freshwater Bay, giving access to the harbour town of Yarmouth. In addition there is a nearby beach and seafront at Freshwater Bay and an 18 hole golf course with some far reaching sea views. The location makes this property ideally suited as either a permanent or second home/holiday retreat. The nearest shops can be found in Freshwater Village with a good range of bespoke and well known supermarket chains and amenities including a health centre, a sports centre with indoor pool and a library.
