Asking Price £495,000

Description

The Property comprises a mixed use four storey Grade II Listed building constructed in the mid 1800's. The property is split into two elements, the commercial part comprises a retail unit on the ground floor known as 28 Wheelock Street; and the residential part known as Dickinson House at the rear which comprises five residential units known as Flats 1-5 which are located on the first, second and third floors of the building. The main building has been extended to the rear at ground floor level. A single storey extension of brick cavity wall and pitched slate tile roof construction was added in the 1980's. In addition, there is a converted former brick workshop/warehouse of the property which has been converted to a one bedroom bungalow.

Location

Wheelock Street runs between A533 and A530 within the centre of Middlewich, a market town in south Cheshire. It is 19 miles east of the city of Chester, 3 miles east of Winsford, 5 miles south east of Northwich, and 4.5 miles north west of Sandbach. The A530 runs to Crewe and Leighton Hospital whilst the A533 runs to Sandbach, where you can access J17 of the M6.

The Property is located in a predominantly retail area within the town centre and the majority of properties in the surrounding area are retail shops. There are also residential flats located above many of the retail properties within the town centre. The property itself occupies a prominent position on Wheelock Street approximately 115 metres west of its junction with the A54 St Michaels Way. The property is situated adjacent to an Opticians, opposite to a Café, and with Nationwide Bank further up the Street. To the rear of the property adjacent to its northern boundary is a Telephone Exchange building and parking compound.
