Description

The property comprises several different sections which cover a site of approx. 8,400 sq ft as measured using digital mapping. The showroom and office premises are a two storey brick built building with pitched tiled roof. Internally there is an entrance reception, leading to ground floor showroom with some partition walls for fireplace display purposes. There is a ground floor w.c. Stairs from the reception area lead to first floor offices and staff amenities with some double glazed windows. There are two offices, kitchen, 2 x w.c., store cupboard and access to boarded loft (not inspected). The adjoining building is a single storey workshop with the benefit of 3phase electric and consisting of loading bay, main workshop, rear workshop and a mixer room which was a later addition. There is an additional adjoining workshop which was not inspected as at the time it was let to a third party for storage purposes, however will be vacant. This area has been measured using digital mapping. To the front of the premises is an area suitable for parking with space for approximately 2-3 vehicles. In addition there is some outside storage immediately in front of the warehouse.

Location

Meadow Street is within an industrial area of Chesterton located off London Road, with other traders such as Tidysite Skip Services, MW Scaffold Solutions and GP Autos. London Road is approx 600m from Talke Road (A34) running between Talke and Newcastle-under-Lyme and giving access to A500 and J15 & J16 of the M6. Chesterton is a former mining village on the edge of Newcastle-under-Lyme and is the second largest individual ward in the Borough of Newcastle.
