# The former Original Factory Shop Bridge Street

## Trinity Square, Uttoxeter, ST14 8AP

### Description

The property is laid out over the ground and first floors with the main retail area and ancillary space including a loading bay being on the ground floor with the main entrance leading onto Trinity Square. At the rear of the property is a dock level loading bay with roller shutter door and a sizeable car park offering 23 parking spaces. The first floor has double lift access and there are a range of storage rooms and facilities located between the retail space and loading area.

We believe the property would suit a variety of uses including:

- > Leisure, such as Padel courts (internal eaves height ranges from 4.5m to 5.5m)
- > Retail/Sales - the property was previously the Original Factory Shop and Somerfield before that
- > Storage and Distribution - The dock level loading bay, large car park/yard and open plan space would lend itself to a self storage centre or general storage/warehousing

### Location

The property is located on the corner of Bridge Street and Trinity Road, on the outskirts of Uttoxeter Town Centre. Nearby occupiers include Waitrose, Dominoes, Starbucks and Lidl.

Uttoxeter is a Market Town located a short distance from the A50, between Burton on Trent and Stoke on Trent, with a population of circa 14,000. Uttoxeter Train Station is approximately a quarter of a mile away from the property and the A50 is approximately 1 mile away, giving access to Stoke-on-Trent to the West and Derby to the East.
