Sherwood Acre – An Exceptional Lifestyle Opportunity in the Warwickshire Countryside

A rare and exciting opportunity to acquire Sherwood Acre, a substantial rural property registered as a smallholding, yet benefiting from the significant advantage of having no agricultural occupancy restriction, offering considerable freedom and flexibility for a variety of lifestyle aspirations.

Nestled in a wonderfully private and secluded setting, surrounded by the picturesque Warwickshire countryside, Sherwood Acre presents an appealing opportunity for those seeking to combine the tranquillity of rural living with the convenience of working from home, pursuing personal interests or simply enjoying a more relaxed pace of life.

The property enjoys an excellent rural location, with a range of everyday amenities available in nearby Bidford-on-Avon and Alcester, including independent shops, schools, cafés and restaurants. The historic town of Stratford-upon-Avon, offering a more comprehensive selection of shopping, leisure and cultural facilities, is approximately a 15-minute drive away.

Set within approximately 0.78 acres, Sherwood Acre is approached via a long private driveway and discreetly positioned away from the road, creating a wonderful sense of privacy and tranquillity, together with the space to enjoy a truly individual countryside lifestyle.

At the heart of the property is a generously proportioned main residence, complemented by a separate annexe which adds a further dimension of versatility. Whether envisaged as a dedicated home office, fitness suite, creative studio, hobby space or accommodation for extended family, the arrangement offers exciting possibilities to adapt the property to suit changing needs and circumstances, subject to any necessary consents.
