The property itself enjoys a delightful aspect to the front, overlooking a green space and balancing pond and benefits from a single garage and off-road parking for 2-3 cars.

The current owners bought from new and added a number of upgrades to the original specification including Amtico flooring, AEG appliances, plinth lights and glass splash back in the kitchen and shower over bath in main bathroom.

The property is entered into a spacious entrance hallway, with the dual-aspect Living Room off to the right hand side, enjoying double patio doors leading out to the rear garden. The Kitchen Dining Room, also with double doors to the rear garden, benefits from a range of wall and base units, double oven, gas hob, integrated fridge freezer and dishwasher and there is a useful utility / storage cupboard, with plumbing for white goods. A downstairs WC / cloakroom completes the ground floor.

To the first floor, the main double bedroom benefits from a built-in wardrobe and a generous en-suite shower room. The second bedroom is also a good-sized double, with plenty of space for wardrobes and third bedroom would make a small double if necessary but is currently used as a home office.

Outside, the beautiful rear garden has been incredibly well loved and maintained by the current owners, with a number of patio areas, mature planting, raised beds and lawned area. From here, a gate leads out to the single garage and tandem driveway.
