Tucked away within a quiet cul-de-sac in one of Stratford's most desirable residential locations, south of the River Avon and just a pleasant 10-minute walk from the town centre, this detached home offers versatile living space in a wonderfully convenient setting.

The ground floor is thoughtfully arranged and ideal for modern family life. A welcoming living room provides a comfortable place to relax, while the separate dining room is perfect for family dining. The kitchen/breakfast room forms the heart of the home, complimented by a useful utility room, dedicated study and an integral garage offering excellent storage or further potential.

To the first floor, there are three well-proportioned bedrooms and two bathrooms. One of the bathrooms has been created from a former bedroom and could easily be reinstated if additional sleeping accommodation is required. Alternatively, either bathroom offers the potential to be reconfigured as an en-suite, allowing buyers the flexibility to tailor the layout to their needs.

Outside, the property enjoys a private, low-maintenance garden, ideal for both relaxing and entertaining. A particular highlight is the fabulous garden office, complete with light and power—perfect for home working, a studio, or a peaceful retreat away from the main house. To the front of the property, there is driveway parking for 2-3 cars.
