PRELIMINARY RELEASE - A RANGE OF STUNNING CUSTOM BUILD PROPERTIES OFFERING YOU THE CHANCE TO CREATE YOUR OWN LUXURY HOME VIA THIS FABULOUS DEVELOPER LEAD SCHEME - PLOT PRICES FROM £280,000 - £390,000

Grand View is a remarkable new development featuring 9 exclusive custom build homes, located off Sambourne Lane in Astwood Bank. Custom build housing means working with a specialist developer to help deliver your own home. The scheme offers custom build features, allowing individuals to tailor homes to their individual specification in advance of the build stage. This gives homeowners the chance to design, develop and customise their homes to suit their needs.

The Custom Build route offers the individual plot purchasers the opportunity to engage with the scheme builder and architect to finalise designs, prior to submitting planning to the council for final drawings to be approved. The initial layouts and design works have already been completed, leaving you to choose your finishing touches to your new home, with a wide array of designs and internal layout choices to suit every family. Once drawings are approved, the building stage can begin with the scheme builder and a timescale arranged to ensure a smooth move into your bespoke and individually designed brand new home.
