Set behind private gates on the edge of Whitfield village near Dover, Mulberry Mews presents an exclusive collection of four executive homes surrounded by beautiful rolling countryside.

Designed with exceptional attention to detail, each residence blends contemporary elegance with sustainable living. A timeless exterior of red brick and refined weatherboarding, complemented by dark-framed windows, feature lighting, and block-paved driveways, creates a distinguished and harmonious architectural statement.

This four-bedroom, two-storey home offers spacious, light-filled interiors designed for modern family living. The welcoming hallway with built-in storage leads to an impressive open-plan kitchen and dining area, featuring quartz worktops, a central island, premium integrated appliances, and a discreet utility room set within shaker-style cabinetry. Bi-fold doors open to the garden, inviting in natural light and peaceful countryside views.

The ground floor also includes a bright living room, dedicated study, cloakroom, and integral garage with underfloor heating and natural

light.

Upstairs, four generous bedrooms provide calm and comfort. Bedrooms 1 and 2 each feature luxurious ensembles, while Bedrooms 3 and 4 offer bespoke fitted storage. A stylish family bathroom with designer tiling, illuminated mirrors, and premium finishes completes the layout.

The private garden features both lawn and patio areas, enclosed for seclusion and relaxation. An energy-efficient air source heat pump ensures modern comfort with reduced running costs.
