Converted from a substantial period building, this first floor flat is exceptionally well presented and offers spacious accommodation, stylishly finished throughout. The living room is a calm and peaceful space, there is one double bedroom and the kitchen features a built in oven and hob, exposed brick fireplace and has enough space for a small breakfast table. The bathroom has a modern suite and a contemporary feel. Gas to radiator heating from a combination boiler, recently replaced uPVC double glazed windows and fresh décor throughout complete this ready to move into home. With just three flats in the building, there is also a shared south/west facing garden to the rear. TENURE: Leasehold - We understand that the property is held a 125 year lease with 88 years remaining. The annual ground rent amounts to £10 per year and the service charge currently £50 per month. The freehold is owned and managed by BPHA.
