Additional internal images to follow Offered for sale with no onward chain, this traditional semi-detached property forms part of a popular residential area, within easy reach of schools, transport links and amenities.

Whilst the property will require a degree of updating, there has been major recent improvement in the form of replacement PVCU double glazing and doors. Another recent update is the installation of a modern shower room/WC.

A covered entrance porch leads to an entrance hallway. There is a living room with bay window to the front elevation. The room opens on to a dining room which overlooks the rear garden. A kitchen completes the ground floor.

Upstairs, a landing leads to two double bedrooms and a single bedroom/study: All of the rooms have fitted furniture. The shower room/WC features a large corner shower enclosure and modern white suite.

The house stands behind a garden area with a driveway providing off road parking space, leading alongside the house and on to a detached garage. The rear garden is of a good size: It features a seating area, central lawn, decorative borders and a storage shed.

This property represents an excellent opportunity to acquire a home which can be further upgraded to your own specification. It may also suit extension, subject to obtaining the necessary permissions.
