# 1 Litherland Avenue

## Ashway Park, Peel Hall M22 5LD

£270,000

Available with no onward chain involved, this modern home forms part of the ever-popular Ashway Park development, located just off Simonsway, with the Metrolink station at the entrance to the development. Manchester Airport is within easy reach, as are the M56/M60 motorway networks and the rail station. There are plentiful amenities provided in nearby Heald Green village and at the Wythenshawe Forum.

An entrance hallway features a staircase with an attractive oak hand rail and feature balustrade by Neville Johnson. A living room leads through to a dining room which has a deep under stairs storage cupboard and patio doors to the garden. A fitted kitchen completes the ground floor.

Upstairs, the house has been altered from its original three bedroom format, into a two bedroom layout. This now provides two generously-proportioned double bedrooms, the principal bedroom being large enough to accommodate a king-size bed and featuring fitted wardrobe units. There is a landing with a useful storage cupboard built-in. A ceiling hatch gives access to a part-boarded loft with mains light and power. The bathroom features a bath with shower above and a WC.

The property stands behind a lawned garden, with a driveway providing off road parking space for two vehicles. To the side of the property is a gated car-port, giving a useful additional large covered area. To the rear is an enclosed garden which is paved for ease of maintenance, with decorative planted sections, a storage shed and a pond.

This is an appealing home which offers significantly more accommodation than most of the two bedroom houses on the development. Coupled with a generous plot and off road parking facilities, this property is likely to attract a wide range of purchasers. An early viewing is recommended.
