Heald Green SK8 3RW Offers Over £375,000

Offering spacious extended accommodation, this link-detached house is likely to appeal to family purchasers in particular. It forms part of a popular residential development which is located a short distance from the amenities of Heald Green Village, with easy access to transport networks and schools for all age groups.

A wide entrance hallway leads to a spacious living room with feature fireplace. There is a second, separate reception room to the rear of the house with double-glazed doors opening to the rear garden. A fitted kitchen and a useful downstairs WC complete the ground floor.

Upstairs, a landing gives access to the four bedrooms and a recently re-fitted family bathroom which features a contemporary suite in white, with shower above the bath.

The house stands behind a garden area with a wide paved driveway providing off road parking space. There is a useful covered external storage room, with doors to the front and rear. The rear garden has been landscaped by the current owners, with a raised deck seating area overlooking a well-kept lawned expanse with pathways running around the perimeter. There is an attractive assortment of fruit trees complemented by a line of Italian Cypress trees.

These homes offer an impressive level of accommodation at a sensible price point. An internal inspection is strongly recommended in order to avoid disappointment.
