Heald Green SK8 3RU Asking Price £400,000

This extended three bedroom semi-detached house has the benefit of a large converted loft room and the property is presented in immaculate condition throughout.

Situated just off Styall Road and close to the amenities of Heald Green Village and the rail station, this lovely home offers well-proportioned rooms with the ground floor being extended to the rear.

A wide reception hallway features attractive flooring with panelled walls. The extension has enlarged the fitted kitchen and the well-proportioned dining/sitting room: This room has an attractive focal point in the form of a feature fireplace, with large double-glazed doors leading out to the garden. There is a separate living room to the front, with bay window and bespoke shelving installed.

The first floor landing leads to the principal bedroom, with fitted stylish modern wardrobes. There is a second double bedroom, a single bedroom/study and a family bathroom which is fitted with a white suite.

A staircase with turning balustrade leads up to the converted loft room, which spans the entire width of the house with a roof window in addition to a side window.

Outside is an attached brick garage with driveway to the front. There are well-established lawned gardens to the front and rear, with an attractive assortment of mature trees and shrubs, including a feature magnolia.

Within the SK8 area are schools for all age groups, both state and private, sports facilities and excellent transport network connections: The Metrolink station is also close by on Simonsway, with trams connecting to Manchester Airport and Manchester City Centre.

This is a lovely home, well worthy of an early internal inspection.
