8 Green Gables Close Heald Green SK8 3QT

£340,000

Presented to a particularly high standard throughout, this comprehensively refurbished home provides spacious and versatile accommodation which is certain to impress.

These three-storey homes offer a surprising amount of living space, providing accommodation which will suit the needs of family purchasers in particular. The large integral garage provides useful additional storage space, but as evidenced by neighbouring homes, this can suit conversion into additional living space, subject to meeting the necessary regulations.

A wide entrance hallway leads through to a large room which spans the entire width of the property, with patio doors giving access to the enclosed rear garden. This room can suit a variety of different uses, including bedroom or office use, or as an additional sitting room.

To the first floor, a large, bright living room is located to the front of the house, enjoying a pleasant view over the cul-de-sac through the large windows which allow for plenty of natural light. The room opens to a dining room which opens to a stylish fitted kitchen with contemporary fitted units and a selection of integrated appliances.

Stairs rise from the living room with a feature glass balustrade, up to a landing on the second floor, with built-in storage. There are two good double rooms, a single bedroom and a modern fitted shower room/WC.

The house stands behind a garden area with a driveway providing off road parking space and leading to the garage. To the rear is a pleasant enclosed garden which is paved for ease of maintenance, with decorative border planting.

Green Gables Close is well-placed for easy access to the amenities of Heald Green Village, with excellent transport links and popular schools also nearby. An early viewing is advised in order to fully appreciate this attractive home.
