# 9 Firs Grove Gatley SK8 4JU

Asking Price £685,000

Occupying a generous 0.22 acre private garden plot at the end of a sought-after cul-de-sac, this impressive detached residence has benefited from extension and numerous improvements, including an electrical rewire and the replacement of both the main and flat roof coverings in 2017. An extensive block-paved driveway provides off-road parking space for five vehicles.

The property offers spacious accommodation which provides versatile living space across two floors. An entrance porch and hallway lead to an impressive open-plan living/dining/morning room with floor-to ceiling glazed windows and doors to the garden. There is a study or fourth bedroom to the right hand side of the property.

A significant extension to the left hand side of the property has created a superb fitted dining kitchen of generous proportions, which leads on to a large utility room, which features a built-in larder store and access to the garden. To the front of the property is the principal bedroom with fitted wardrobes, bay window and an en-suite shower room/WC. There is a further well-proportioned double bedroom, also with fitted wardrobes. A family bathroom completes the ground floor.

Upstairs is a wide landing with storage. A large bedroom with comprehensive eaves storage also features roof windows. A further bathroom completes the accommodation.

Firs Grove is a particularly attractive location, well-placed for access to transport networks, with good access to the M56/M60 motorways and rail links with direct trains into Manchester. Easy access to Manchester Airport, but not directly under the flight path.

The plentiful amenities of both Gatley and Heald Green Villages are close by, with plenty of green space nearby: Scholes Park offers attractive walking and recreational space. Popular schools for all age groups are within the vicinity, with both private and state facilities available.

This is a substantial home which simply must be viewed in order to be appreciated.
