34 Baslow Drive Heald Green SK8 3HP

Offers Over £300,000

Offering versatile accommodation across three levels, this spacious townhouse forms part of a well-established residential area, with amenities, schools and transport networks all easily accessible.

The property has benefited from a replacement combi-boiler and the walls have all been redecorated in white. Some further cosmetic improvement is required: The property will require replacement floor coverings.

The integral garage has been converted to form versatile additional accommodation on the ground floor which could suit use as a bedroom or as an additional reception room. There is also a utility room with access to the garden, and a downstairs WC/shower room.

To the first floor, a large open-plan living room spans the width of the house, with large windows providing plentiful natural light. To the rear is a fitted breakfast kitchen. The main bathroom is also on this floor, featuring a corner bath and a separate shower enclosure.

To the second floor are three further bedrooms, the principal bedroom being of particularly generous proportions, arranged in an L-shape.

The house stands behind a driveway area and there is a garden to the rear with paved seating areas, a lawn and decorative borders.

These homes always prove to be popular due to their versatile configuration and surprising amount of floor space. We advise an internal inspection in order to appreciate the potential on offer.
