£785,000

Presented to an excellent standard throughout and offering versatile family accommodation, this significantly extended detached residence stands towards the end of a sought-after cul-de-sac, within easy reach of the amenities of Cheadle Hulme and popular schools for all age groups.

A contemporary front door opens to an entrance porch and hallway. To the front of the house is an extended living room of generous proportions, with a media wall. Bespoke shutter blinds are installed throughout the property. The heart of this home is a stunning open-plan dining room with bi-folding doors to the garden: The room opens to a high-specification kitchen, itself open to a family room which features a vaulted ceiling with roof windows.

There is a utility room and a large office or bedroom to the front of the house, whilst a study or fifth bedroom is located to the rear. There is also a downstairs WC and a second utility room/cloakroom.

A turning staircase with glazed balustrade leads to a landing with access to the bedrooms - the principal bedroom featuring a dressing area. There is a stylish modern family bathroom, with under floor heating, a large walk-in shower enclosure and a separate bath.

The house occupies an attractive corner garden plot, with a wide driveway providing off road parking space for three vehicles, leading on to an integral garage/store. To the rear is an enclosed garden with deck seating area, a central lawn, established borders and a modern garden room which is currently utilised as a gym.

This is a most appealing purchase: It offers impressive accommodation, specifically designed to provide flexible living space which will meet the demands of modern family life.
