Offers Over £595,000

A beautifully extended detached family home, centred around a stunning full-width open-plan kitchen, dining and living space - perfectly designed for modern family life and entertaining.

The heart of the home is the impressive open-plan dining kitchen, featuring a central island and generous proportions, flowing seamlessly into a sitting area with views over the rear garden. This light-filled space creates an ideal setting for both everyday living and social gatherings.

A separate, well-proportioned living room provides a more private retreat, with contemporary glazed doors connecting the spaces when desired. A welcoming entrance hallway and ground floor WC complete the downstairs accommodation.

Upstairs, the property offers four well-sized bedrooms, including a particularly spacious principal bedroom formed from two original rooms. The layout was previously configured as five bedrooms and could be easily reinstated, offering excellent flexibility for growing families or home working. A modern family bathroom features a bath, large walk-in shower and twin sinks.

Externally, the property benefits from a wide block-paved driveway providing ample off-road parking, leading to an integral garage with utility area and potential for conversion (subject to the necessary consents). To the rear, the enclosed garden is designed for low maintenance and enjoyment, with a raised decked seating area, artificial lawn and storage shed.

Situated in a sought-after location with excellent access to local amenities, schools and transport links, this is a superb opportunity to acquire a versatile and spacious family home ready to move straight into.
