# 17 Eastleigh Road Heald Green SK8 3QR

Offers Over £495,000

Offering exceptionally well-presented accommodation, this significantly extended semi-detached house is certain to appeal to family purchasers who will appreciate the versatile living space on offer.

The current owners carefully considered the extension of this attractive home: A lot of thought, time and money have been combined in order to create the following accommodation.

A wide entrance hallway leads to a beautifully-presented living room with bay window and a feature stove. The room opens to a sitting room which leads through to a superb open-plan family/dining room which is flooded with natural light via twin sets of French doors and triple roof windows. This room opens to the modern fitted kitchen. Returning to the hallway, a glazed internal door leads into a room which can suit use as a bedroom or a further reception room, with an en-suite shower room/WC.

To the first floor is a landing with access to two large double bedrooms, both with fitted wardrobes. There is a third bedroom/study and a large family bathroom which features a white suite, with bath and a separate shower enclosure.

The house stands behind a gated, block-paved driveway which provides off road parking space for two vehicles. There is gated access alongside the house, leading to a large enclosed rear garden with paved seating area, a lawned expanse and timber storage sheds.

Eastleigh Road forms part of a popular residential area which is especially convenient for access to the amenities of Heald Green Village, with excellent transport links and close proximity to schools for all age groups.

An early internal inspection is recommended in order to fully appreciate this most appealing residence.
