## Baguley M23 9PS

£100,000

Located to the ground floor of a purpose-built development, this apartment is offered for sale with no onward chain involved.

The development is well-placed for access to transport networks, with excellent amenities close by in Timperley Village, with the larger superstores in Baguley also easily accessible. These homes always prove popular thanks to their close proximity to Wythenshawe Hospital and Manchester Airport.

A private entrance and front door opens to an entrance hallway which features two deep cupboards which provide excellent storage space.

A well-proportioned living/dining room benefits from plentiful natural light thanks to the large double-glazed window which overlooks communal garden space to the rear.

A fitted kitchen features a range of base and eye-level units in white, with contrasting worktop surfaces.

The bedroom is a generous double room and the shower room/WC is fitted with a white suite.

The apartment has benefited from recent damp-proofing work, but it will require some further cosmetic improvement: The competitive pricing reflects this requirement.

These properties appeal to owner occupiers and investors alike, thanks to their generous proportions and convenient location. An early viewing is advised in order to appreciate the significant potential on offer.
