Heald Green SK8 3JQ
Asking Price £575,000

234 Outwood Road

Heald Green SK8 3JQ

Asking Price £575,000

Positioned moments from the heart of Heald Green Village, this extended link-detached family home offers generous, flexible living space together with a large rear garden.

The versatile ground floor is well laid out for everyday family living: an impressive extended lounge opens directly onto the garden through patio doors, complemented by a separate bay-fronted dining room and a dedicated study/home office. The kitchen and utility room complete a practical layout.

A standout feature is the home's energy set-up. The property benefits from roof-mounted Solar PV and a ground source heat pump (GSHP) — owned outright (no lease) — alongside an EV charging point, cavity wall insulation and PVCu double glazing. For a house of this age and size, an EPC rating of C is a notable advantage and underlines the future-proofed nature of the home.

Upstairs are four well-proportioned bedrooms and a well-presented shower room/WC. Well maintained and immediately liveable, the property also offers scope for a buyer to personalise to their own taste over time.

Heald Green combines a genuine village atmosphere with superb connectivity: everyday shops, cafés, library and rail links are close at hand, while excellent schools (state and private) are nearby. Larger retail options, including John Lewis and Marks & Spencer, are readily accessible along the A34 corridor, with easy access to the motorway network.

Early viewing is recommended to fully appreciate the space, garden and location.

- Extended link-detached family home with attached garage
- 28 ft extended Lounge opening to the rear garden
- Large Rear Garden
- Three Reception Rooms
- Four well-proportioned Bedrooms
- Solar PV & Ground Source Heat Pump (GSHP) - owned outright
