7 Prospect Vale Heald Green SK8 3RJ

Offers Over £400,000

Located at the end of a cul-de-sac, next door to Prospect Vale Primary School, this semi-detached property has been both significantly extended and recently refurbished. The property stands on a large mature garden plot measuring approximately 0.19 acres, with lawn, seating areas and well-established borders.

The accommodation is of surprisingly generous proportions, offering flexible living space which will appeal to the needs of family purchasers in particular.

An entrance porch leads into an entrance hallway, leading to an impressive open-plan living room with bays to both the front and rear. There is a stylish re-fitted modern kitchen with central island, luxury tiling and quartz worktop surfaces. The room opens to a large dining room which has a dual aspect and a rear porch gives access to the garden.

There are two double bedrooms to the ground floor, the second with an en-suite shower room/WC. A recent extension has enabled the creation of a large family shower room/WC. A staircase leads up to the converted dormer loft room which is currently utilised as a bedroom. Plans have been submitted and passed under permitted development for a further extension to the dormer loft.

The property stands behind a driveway which provides off road parking space, leading in turn to a large attached garage. Another notable feature of the property is that the elevated position has allowed the creation of a number of subfloor storage rooms (with limited headroom) which are accessed from outside, to the rear.

The property enjoys excellent transport links and access to amenities. An internal viewing is strongly recommended in order to fully appreciate this stylish, spacious residence.
