Rose Vale forms a most appealing cul-de-sac of bungalows, with pedestrian access at the end leading into the attractive green space of Rose Vale Park. The properties on this side of the road benefit from impressive garden plots - A superb 0.16 acres in this case.

The accommodation is particularly well-presented: An entrance porch opens to a wide entrance hallway. To the front is a well-proportioned living room with a bay window and feature fireplace. A large open-plan dining kitchen features French doors which open to the rear patio and there is also a rear porch. The bungalow provides versatile living space: There are three good sized bedrooms and a modern shower room with walk-in enclosure and WC.

The property stands behind a garden area with a block-paved driveway providing off-road parking space which extends alongside the bungalow, through wrought-iron gates and on to a detached garage. The rear garden is a remarkable space which is not directly overlooked. A raised patio/seating area leads down to a superb lawned garden with decorative borders and well-established trees and shrubs.

The area enjoys excellent transport links with easy access to amenities and schools for all age groups. An early internal inspection is advised in order to fully appreciate this most appealing property.
