64 Queensway Heald Green SK8 3ET

£475,000

Presented in excellent decorative order throughout, this extended residence offers immaculate accommodation which will suit the needs of family purchasers in particular.

An entrance porch opens to a hallway which leads into the open-plan reception rooms, with bay window to the front and patio doors to the rear garden. The centre of the house is a beautifully-appointed modern dining kitchen with stylish contemporary units and polished granite worktop surfaces. An attractive conservatory with underfloor heating overlooks the garden. The hallway, kitchen and conservatory all feature high quality Karndean flooring and there is internal access to the garage which has utility space. The garage also offers electrics, and water/waste pipe which can easily be converted to a downstairs WC.

To the first floor, the principal bedroom features fitted wardrobes. There is a large double bedroom with a modern en-suite shower room/WC. A further double bedroom looks out over the rear garden and there is a fourth bedroom/study to the front of the house. A family bathroom completes the accommodation.

A large block-paved driveway to the front of the house provides off road parking space. To the rear is an enclosed garden which affords a good degree of privacy. There is a paved seating area, lawned expanse, well-stocked decorative borders and a raised deck.

The house stands on Queensway, close to the amenities of Heald Green Village and excellent transport network connections. There are popular schools for all age groups within easy reach.

This is an impressive family home which simply must be seen.
