# 170 Queensway Heald Green SK8 3HQ

£265,000

Offered for sale with no onward chain, this semi-detached bungalow represents a great opportunity to acquire a home which can be updated and improved to your own specification.

The accommodation comprises: Entrance hall with storage, a spacious living/dining room, kitchen, rear hall, two bedrooms and a bathroom which is fitted with a white suite.

The property benefits from PVCU double glazing but it does not have central heating. If desired, the configuration of the roof space in these bungalows is well-suited to conversion into additional accommodation, subject to meeting regulatory permission and compliance. A number of the neighbouring homes have dormer-type loft conversions which have provided extra accommodation in the form of bedrooms and bathrooms.

The property stands behind a garden area with a driveway providing off road parking space. This leads alongside the bungalow and on to a detached garage. The rear garden is of a good size, with a seating area, lawned sections and decorative borders. There is also a large timber summerhouse.

This is an appealing project which will make an excellent home.
