Well-positioned towards the edge of the ever-popular Ashway Park development, this particularly well-presented modern semi-detached house will undoubtedly attract a wide range of buyers, including first-time and investment purchasers.

The accommodation comprises: Entrance vestibule, a spacious living room with storage, a recently re-fitted dining kitchen with patio doors to the rear garden and a superb covered bar/storage area which is situated alongside the house. To the first floor are two bedrooms, the master with fitted wardrobes. There is a bathroom with white suite and a shower above the bath.

A driveway provides off road parking space alongside a garden area to the front. The rear garden is laid to lawn with seating area, decorative borders and the aforementioned bar/store. The garden enjoys a good degree of privacy as it is not directly overlooked from the rear.

The property is particularly well-positioned for access to amenities and it is within easy reach of transport networks including the Metrolink tram (station at the entrance to the development), M56/M60 motorways and rail stations.

We strongly recommend an early internal inspection in order to avoid disappointment.
