This traditional semi-detached property stands on a highly sought-after residential road. It represents an excellent opportunity to acquire a house for improvement and updating.

There is significant scope for extension, subject to gaining the necessary permissions: The house stands on a generous garden plot - It is one of the few homes on the road which have not already benefited from extension, so will appeal to those looking to add living space and value.

An entrance hallway leads to a living/dining room with a central fireplace and a bay window to the front. There is a kitchen to the rear, with under stairs storage.

To the first floor is a wide landing, with access to two double bedrooms, a single bedroom and a bathroom.

The house stands behind a garden area with a driveway providing off road parking space.

To the rear is a generous garden which is laid to lawn. There is a rear porch with a door to a WC.

Green Walk forms part of a popular residential area which appeals to family purchasers in particular: Excellent schools for all age groups are within easy reach. Amenities and a range of transport links are also easily accessible.
